THE IMPACT

Enjoy over 100 different craft beers and ciders with 2,500 community partners, other donors and friends of the Rotary Club of Riverside Jacksonville while supporting Community PēdsCare® and other local charities.

COMMUNITY PēdSCARE® is a pediatric program of Community Hospice & Palliative Care. Serving the five-county area of Baker, Clay, Duval, Nassau and St. Johns counties, and with expansion in 2020 into the 11 counties of the north central region, Community PēdsCare serves more than 200 children and their families daily. Community PēdsCare offers both palliative care for children with life-limiting and life-threatening conditions who are still seeking aggressive or curative treatment, as well as hospice care for children and their families who seek to focus on life and living, while our team surrounds them to support, navigate the steps ahead and reach for comfort and quality.

THE NEED: The vast majority of children in the Community PēdsCare program are enrolled in palliative care where services are not reimbursed by insurance. Care for these children is provided at no cost to the families, and philanthropic support is required to ensure availability of services. Since 2016, Riverside Craft Beer Festival has donated over \$650,000 to Community PēdsCare to ensure the children and their families have the support they need through challenging times.

RIVERSIDE ROTARY FOUNDATION funds a multitude of charitable projects in our local community, including: scholarships to first generation college students at UNF through the Riverside Rotary Scholarship Fund; student dictionaries to every third grader at Stockton, Fishweir, Venetia, Ruth Upson, West Riverside, Central Riverside, Ortega, and Chaffee Trail Elementary Schools; funding no-cost meals at the I.M. Sulzbacher Center and Feeding Northeast Florida; partnering to support the Children's Christmas Party; support of city preservation through Riverside Avondale Preservation (RAP) and the Jacksonville Historical Society, and many more charitable causes based upon needs and requests to the Rotary Club of Riverside Jacksonville.

2026 GOAL: \$100,000 for Community PēdsCare® and other local charities

Thank You!
